

PLANMECA

Digital Academy

CERTIFIED CLINIC PARTNERSHIP PROGRAM

Apply to join our exclusive international network!

We are building a prestigious **network of certified PlanmeCA Digital Academy clinics**. The accepted clinics will be offered an **exclusive product package deal** on our cutting-edge equipment and software. In addition, clinics will be certified as PlanmeCA Digital Academy Clinic Partners and receive the right to utilise our brand as part of their marketing.

Certified PlanmeCA Digital Academy clinics will commit to providing **high-quality training courses to other dental professionals** in their area. Courses will be held in the organizing clinic's facilities, and marketed in cooperation with PlanmeCA and its local distributor.

The partnership will offer certified clinics with the possibility to provide the best possible care with the most advanced dental equipment and software. The partnership is also an excellent opportunity to generate new revenue in the growing dental training and continuing education business.

Commit to excellence

We are looking for leading and renowned clinics in all Planmeca markets that are interested in offering high-quality continuous education training courses to dental professionals. We also expect strong expertise in various specialties:

- CAD/CAM
- 2D and 3D imaging
- Radiology
- Implantology
- Endodontics
- Orthodontics
- Aesthetic dentistry
- Maxillofacial surgery

Product packages for Planmeca Digital

CAD/CAM

Dental units

Key benefits to clinic partners:

- Cutting-edge dental equipment and software at an attractive price
- Continuous product and software updates to guarantee a leading position in the field of dentistry
- The right to utilise the Planmeca brand in the clinic and training course marketing
- Establishing a new revenue model within the growing continuing dental education business
- An enhanced brand image and market position as a provider of the highest standard of patient care
